Youth league volunteers pack gifts for military

BY MITCHELL MORRISON

In honor of Veterans Day, four teens from the La Jolla Chapter of the National League of Young Men (NLYM) — Tanner Ruane, Ethan Wagenseller, Mason Matalon and Mitchell Morrison — volunteered at the Mission Beach Women's Club Nov. 9 to help with packaging, labeling and stacking more than 100 10-pound boxes to be sent overseas to women in the U.S. military.

Not only did NLYM help with the physical activities, but they also contributed to the goods being sent — shampoo, combs, Chapstick, toothbrushes and toothpaste. The other items being sent included bags of candy, decks of cards, books, magazines personal toiletries, hygiene items and a handwritten, personalized thank you notes to the women in the military.

Since it was Wagenseller's 16th birthday, all the Mission Beach Women's Club members sang happy birthday to him! ♦
